Vonda

A VERY SPECIAL THANK YOU TO A VERY SPECIAL PERSON

Vonda has been with our rescue before we even became Regal Dane Rescue. She was with us when we were still part of Dane Haven rescue.

Vonda has fostered many dogs, in fact, 19 of them! She has loved every single one of them and cried when they went to their forever homes. She still has the dates they came to her and the dates they left on their new journey.

We wanted to make Vonda's retirement from fostering a special one.

We invited as many of her previous foster dogs and their owners as we could find and who were available.

For some, Vonda's home was their last – such as Shelby, who came into the rescue with irreversible brain damage from being beaten over the head with a shovel by her owner. There's Pete, who had severe medical issues. Vonda provided these two with unconditional love until the very end.

Then, there's Connie, the crazy girl, who is forever embedded in our memories! Spirit, Bailey, Sheldon, Lily, and Gypsy Rose were not dog-friendly, and Vonda took her time and worked with each of them.

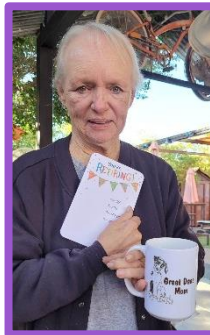

She provided a loving, transitional home for others such as Karma, Ariel, Otis, Midas, Bunny, Triton, Maxx, Zeus, Addie, Max and Mufasa.

Without Vonda's love for the breed, and willingness to work with these dogs, many of them would never have had a chance.

Thank you, Vonda!!!
